

NORTH COVE YACHT CLUB
PO Box 298
Old Saybrook, Ct 06475

February 1, 2010

Dear Junior Sailor and Parents:

The North Cove Yacht Club will again offer a Junior Sailing Program this summer. There will be three two-week sessions, as indicated on the enclosed application. Please note that each session is ten days, (except for the first, which excludes July 5th) meeting from 9:00 until 3:00 on weekdays.

Youth's ages 9 through 15 as of June 28, 2010, may apply for enrollment in one, two or all three sessions. Each session will provide instruction for both beginners and intermediate sailors. In addition to instruction those students recommended by the staff will be encouraged to sail in the junior racing program on Monday evenings from about 1700 to 1930 through out the six week program.

This year's tuition fees including a tee shirt are \$400 per session for Non-Club member students and \$300 per session for students related to Club members. Any student whose parents, guardians or other relative who become members of the North Cove Yacht Club by December 31, 2010 will have a \$100 per session refunded.

We can only accept a limited number of students in each session, so it behooves you to submit your application and deposit as soon as possible. Last year the sessions were fill by the end of February.

Please read the enclosed material carefully and return the completed application with a seventy-five dollar deposit per session to Cindy Yerman at the address below. Applications are considered on a first come first serve basis so do not send or leave your application at the Club as the delay in getting it to me could cost the student a seat in the session.

Feel free to make copies of the application if you are interested in enrolling more than one student. Call Cindy at 860-388-3896 or e-mail her at if you have questions.

Sincerely yours,

Edward R. Godfrey
Junior Program Chairman
